*Toronto School of Theology*

ISBN 978-0-7734-5361-6 \$ 109.95 / £ 69.95 264pp. 2007

***Contribution to Scholarship:***

This new study, drawing its inspiration from *A History of Odessa, the Last Italian Black Sea Colony* (The Edwin Mellen Press, 2004) and based on new archival findings, focuses solely on the eternal cultural legacy of the Italian founders of this unique port, shaped by nearly a century of Italian presence. This new contribution to European cultural history will be of interest to scholars of European, Italian, Russian and Ukrainian history, art historians and musicologists, as well as students of migration and multiculturalism.

“Makolkin’s volume on the Italians in Odessa is an erudite travelogue on art, architecture, music, and culture, drawn from the great cities of Italy and transplanted to Russia. Relying on the new sources, Dr. Anna Makolkin reveals an encyclopaedic knowledge of European, Italian and Russian literature, art, architecture, music, medicine, psychology, and history. With great dexterity does she weave together these various threads into a smooth and thrilling story. This volume will fascinate the reader with the unfolding of a powerful new drama in Russian, Italian, and European history.”

*- Terence J. Fay S.J.*  
*Professor of Church History*  
*Toronto School of Theology*  
*University of Toronto*

“... the Italian factor left an indelible mark on the city from its onset, when it was created by the Great Empress Catherine and entrusted by her to the governorship of the Neapolitan born Admiral Giuseppe De Ribas, on May 27, 1794.”

*- Dr. Maddalena Kuitunen*  
*Professor Emeritus*  
*Department of Italian Studies*  
*University of Toronto*

“... Anna Makolkin continues to explore the hundred years of Italian experience (1794-1894), in the Russian, now Ukrainian, city of Odessa on the Black Sea... Makolkin’s new book proves that Italian were the major protagonists in all aspects of Odessa’s economic, political, cultural and artistic life in the first hundred years of that city’s existence.”

*- Dr. Angelo Principe*  
*Professor Emeritus of Italian Studies*  
*University of Toronto*

***About the Author:***
